

Chapter 1 : Introduction.....	1
Chapter 2 : Methodology, Expected Results and Definition of Concepts.....	5
2.1 Methodology used for the study.....	5
2.2 Expected results	5
2.3 Definitions of the main concepts used	6
2.4 Growth and productivity	7
2.5 Productivity and employment level.....	8
Chapter 3 : Analysis of the Characteristics of Unemployment and Underemployment in West Africa	9
3.1 Growth and employment over the last seven years	12
3.2 Unemployment trends over the last decade.....	12
3.3 Determinants of unemployment, underemployment and vulnerability in West Africa.....	14

3.3.1	Working poor and employment vulnerability in West Africa.....	15
3.3.2	Characteristics of unemployment, underemployment, and vulnerability in West Africa .	18
3.3.3	Unemployment and under-employment in the Capital Cities of WAEMU member countries	19
3.3.4	Main structural causes of unemployment, underemployment, vulnerability	22
3.3.5	Main cyclical causes of unemployment, underemployment, vulnerability	26
Chapter 4 :	Some reasons for Non-Employment-Generating growth in West Africa.....	29
4.1	Structure of GDP use and contribution to growth	29
4.2	Weak effects of the main determinants of employment.....	29
Chapter 5 :	Some case studies in West Africa	31
5.1	The Case of Burkina Faso.....	31
5.1.1	Characteristics and determinants of unemployment au Burkina.....	31
5.1.2	Features of the informal sector in Burkina.....	32
5.1.3	Analysis of employment policies.....	33
5.1.4	Impact of the recent crises on employment.....	34
5.1.5	Some justifications for non-employment-generating growth in Burkina Faso.....	35
5.2	The Case of Ghana	38
5.2.1	Characteristics and determinants of unemployment in Ghana	38

5.2.2	Characteristics and determinants of underemployment in Ghana	38
5.2.3	Features of the informal sector in Ghana.....	39
5.2.4	Analysis of economic recovery strategies with employment creation	40
5.2.5	Analysis of employment policies.....	41
5.2.6	Impact of the recent crises on employment.....	44
5.3	The Case of Mali	45
5.3.1	Characteristics and determinants of unemployment in Mali	46
5.3.2	Characteristics and determinants of underemployment in Mali	47
5.3.3	Features of the informal sector in Mali.....	48
5.3.4	Analysis of economic recovery strategies with employment creation	49
5.3.5	Analysis of employment policies.....	50
5.3.6	Impact of the recent crises on employment.....	53
5.4	The Case of Niger.....	54
5.4.1	Characteristics and determinants of unemployment in Niger	54
5.4.2	Characteristics and determinants of underemployment in Niger	56
5.4.3	Features of the informal sector in Niger	57
5.4.4	Analysis of employment policies	59
5.4.5	Impact of the recent crises on employment.....	60

Chapter 6 : Directions for action to stimulate Employment-Genarating Growth63

6.1	Targeting Productive Investments and Production Support	64
6.1.1	Opportunities in the areas of Infrastructure and Public Works	65
6.1.2	Opportunities in green jobs	66
6.1.3	Improve vocational training and apprenticeships.....	67
6.2	Creating enterprises and jobs through	70
6.2.1	Setting up co-enterprises.....	71
6.2.1.1	Initial provisions.....	71
6.2.1.2	Management body of the co-enterprises	71

Chapter 7 : Conclusions and Recommendations75
